Emergency Hammer and Belt Cutter

A must-have tool for your car for use in emergencies.

Features:

- Easy to use
- With a small blade to cut yourself out of a seatbelt.
- This life-saving gadget has the power to get you out of trouble when you need it most
- It has a metal car break hammer to shatter the window of your car in an emergency situation like when the vehicle is underwater
- Easy to remove, but will not fall or slip out if the car bumps.
- Its bright orange colour means it can be found easily when needed.
